Cathy R. Jones  
Third Vice President  
GFWC Georgia  
April 5, 2019

GFWC Georgia clubs recruited 86 new members during 2018. Sixteen clubs met the 10% increase in membership challenge issued by our state President and Director of Junior Clubs. And, clubs did numerous projects to recruit and retain members. Clubs devoted 5,798 hours to membership, sponsoring a total of 173 projects. Thirty-three clubs submitted annual membership reports and thirteen clubs entered the most creative project competition. It was a privilege to read and judge these reports.

Our Georgia Day of Service is scheduled for April 27, 2019. Clubs across the State will Help A House on that date. Each club may select a house of their own choosing, such as a transitional home, respite center, veterans' halfway house, etc. The project may be designed to meet the specific needs of the house selected, such as landscaping, renovations, collections of supplies, or providing a meal for residents. Collectively, GFWC Georgia members will "build up" the houses in the local community. Additional information is on our GFWC Georgia website.

During 2019, utilize your Membership Toolbox for ideas on assessment, retention, and recruitment. In the words of John Mason, "It takes the hammer of persistence to drive the nail of success." I think this means that if you fail, keep trying. Learn from your mistakes. With determination and hard work, we will reach a resolution to our problem. Because, we are GFWC Georgia strong and together we can build a better community.

Becky Bolden  
Director of Junior Clubs  
2018-2020  
Convention 2019 April 4-7th

This past year has been a whirlwind in so many areas of my life. I was installed as the GFWC Georgia Director of Junior Clubs; my company depended on me to lead the financial aspect of selling the business; My daughter, Miranda, got married (which was the highlight of the year); and I tried to spend a little time with my husband and family. In the midst of all of this, I did my best to fulfill the duties of my office and help others along the way.

I am **extremely** proud of the Georgia ladies and their hearts for service. The 2018 statistics for the Georgia Junior Conference are 13 clubs with membership of 218. We had 977 projects with 31,041 volunteer hours spending \$117,411.07 on projects and \$53,072.78 in In-Kind Donations.

I have listed my activities below, but I wanted to highlight just a few of my favorite events. While attending 5 of the 6 district fall meetings, I was able to play "Who Wants to be a Millionaire Volunteer" with my leader, Tina Daniel. This was a fun way to present the events of GFWC Georgia past, present and future.

Another exciting event was Southern Region in Ridgeland, MS. I was honored to carry our state flag for the first time. I joined forces with my fellow southern Junior Directors to play Bingo and Tenzies. We raised \$1,030 for March of Dimes with Junior Fun night. Also, I gave a "fun" joint report with my fearless and creative leader, Tina, to the tune of Gillian's Island.

The Ronald McDonald House is very special to my heart. I can't express how much it meant to me when I delivered a check for \$1,000 from the Junior Fun Night at Institute in 2018 to the Atlanta House. It was also extremely rewarding when so many Georgia clubwomen donated items to 3 Ronald McDonald Houses across Georgia in honor of MLK Day.

Activities since Institute in August 2018 include:

Aug 23-26 2018	Attended the GFWC executive board meeting in Richmond, VA
Sept 15, 2018	Attended GFWC Central West District meeting
Sept 22, 2018	Attended GFWC South West District meeting
Sept 29, 2018	Attended GFWC North East District meeting
Oct 13, 2018	Attended GFWC South West District meeting

## Website/App Report: March 2019

Website: Stats are in: website visitors are increasing each year. In 2018 we had 9,787 visitors to our website compared to 6,372 in 2017.

In 2018 we had 9 people inquire about joining a new club and 2 people inquiring how they can partner with us. In 2017 we had 1 person inquiring about joining; 2 partner inquiries.

**Interestingly in the month of January 2019** We had 3 people inquire about joining our club and they inquired between during our MLK post a video project each day which proves that social engagement does work and affects our website visits and the higher potential of new folks inquiring about joining our club. 1 partner request.

Increasing our visitors is beneficial— this is the exact data we need when we want to entertain the possibility of advertising space, followers, etc. Same thing with our social media, share posts to your friends and let's build our followers.

**APP report** - A total of 122 people have downloaded our GFWC Georgia app. 52 android users and 70 apple users. This can be found on Itunes and Google Play – just search for GFWC Georgia.

Our app is similar to our website, but it is a fast pass so to speak. Once downloaded (instructions are listed on tech tools and club resources, with a click of a button you can view important features pulled from our website.

**Volunteer with Us Page:** <https://gfwcgeorgia.org/volunteer-with-us/> - Our Club now has a main calendar for club activities throughout the State of Georgia which is similar to the state calendar on our website. But this calendar would contain all of our club service events with contact and event details and how many volunteers are needed. I can't populate it by myself, but any club or club member that has gmail has a google calendar can. You can create a calendar notice with details and send it to me at [website@gfwcgeorgia.org](mailto:website@gfwcgeorgia.org). I will then accept the notice and it's in the main club calendar on the website.
