## Lipscomb Society Our Purpose

The Lipscomb Society was established in 2010 to help preserve the historic Mary Ann Lipscomb Cottage on the campus of Tallulah Falls School.

The cottage is one of the first structures built on the TFS campus and has been used over its illustrious life as a dormitory, classroom building, administrative offices and the school museum. In 2006 the cottage was saved from demolition, fully-renovated and now serves as the State Headquarters of the GFWC-Georgia.
