Judging Completed, Time for FUN!

Dear GFWC Georgia friends,

Happy Spring and Congratulations on another successful club year! Thank you for all the energy and effort you have given to recording our accomplishments this year. A huge thank you to Peggy Wilson, Deborah Landress and Laedenia Jewell for all they did to make the reporting process run smoothly. Thank you especially, to the state Chairmen who have read and judged the reports submitted and sent our Georgia reports to GFWC. I can't wait to **Celebrate** with you all in April. Speaking of April, be sure to mark your calendars to attend our annual Convention at the Atlanta Marriott Northeast/Emory Area April 21-23, 2023. The North West District members are hard at work preparing for our visit and we have a wonderful weekend planned for us all.

Friday night of Convention, invite prospective members to join us for a Girl's Night Out "Diamonds and Denim" event. There will be a special code in the call to accommodate our Friday night guests. We will have a minimal amount of business that evening so we can turn our focus to celebrating and enjoying the fellowship of our friends and guests. Our speaker, Kim Gravel, is sure to be entertaining and uplifting so please plan to join us in this special evening as we open our Convention. Joining us also, is Mary Beth Williams, GFWC Secretary, from Colorado. I know you will make her feel welcome!

We have made an effort in this administration to implement some of the changes you have indicated you would like to see at our state meetings. Many have expressed an interest in hearing about the programs and projects completed by clubs who win our awards. At Convention, Clubs winning 1st place in the CSP awards and/or the CSP Creativity awards will be given an opportunity to share their winning projects with our membership on Sunday morning. Like our "Hall of Fame" provided at Institute, I hope you will take the opportunity to listen and learn during those presentations and begin forming the framework for projects and programs that will work in your own communities for the coming year. As always, we celebrate the success of each club, each project and each dollar donated. We all win in the arena of service and we can all learn and improve to make our next club year even more exciting, engaging and purposeful.

Thank you for the invitations to join you at club events and celebrations. It is honestly the best part of this job! I am so honored to represent you as GFWC Georgia President. Keep up the good work and keep sharing your passions. You are making a difference!

We are all GFWC Volunteers with a Passion!

Second Vice President - Peggy Wilson

Dear GFWC Georgia Members,
What can I say! I appreciate everything that all the GFWC Georgia club women have accomplished to make Georgia shine through all of the hours spent doing projects throughout their communities. I was amazed at the number of hours, amount monetary donations, as well as all of the in-kind donations. Congratulations to everyone you are winners because you and your club made a difference in the lives of others. One thing we need

to remember is our communities are the true winners because we helped make their lives just a little bit better.

To all the Community Service Program Chairmen and Special Committees, every one of you are awesome. Thank you for the many hours of reading and conferring with your cohort so we can recognize the state winners in all areas at the state convention in April. Everyone is a winner because we have made a difference. I appreciate your help and all have done and am looking forward to working with everyone again next year!!

Judging reports is a momentous task, but with the help of Laedenia Jewell and Deborah Landress we are trying to make it easier to report. I can never thank these club members for the number of hours they have spent to try to help make all of our lives easier when it comes to writing and judging reports. I do not know how many times I have called on them to help me understand certain aspects of our on-line reporting and judging. Thank you, ladies; I really appreciate your help.

I am grateful for Kathryn Youles and her committee for all of their expertise in getting report information from our Community Service Program and Special Committee Chairmen.

I appreciate everyone's help, it takes a TEAM effort to make a difference!

Thanks a million for everyone's help.
I am looking forward to a great convention and recognizing outstanding work.

In Federation,

Peggy Wilson

Day of Service/Dinner Party

Our Day of Service this year is going to be a Dinner Party on Saturday, April 29, 2023 to benefit WellSpring Living. On the same night at the same time, clubwomen from across Georgia will be hosting a Dinner Party to benefit WellSpring Living. We will post/share photos during the Dinner Party on social media. Clubs should invite current and potential members and guests and charge them to attend – with all money raised benefiting WellSpring Living.

Third Vice President - Julie Walters

Steps to take for a successful Day of Service/Dinner Party

- Decide who in your club will be the hostess.
And you can have more than one hostess and Dinner Party.
- Decide where to hold your Dinner Party—the hostess' home, a clubhouse or a restaurant.
- Decide a menu for your Dinner Party. You can choose to have members cook or have it catered.
- Decide what you want to charge guests to attend. We recommend \$25 a couple.
- Send information to Julie at membership@gfwcgeorgia.org. She will create your invitation for you.
- Using the PDF created for you, email the invite club members/partners to attend your Dinner Party.
- All money collected will be donated to Wellspring Living.

Reporting Day of Service/Wellspring Living

You will report your Dinner Party in your Membership Report.

Any food, decorations, good or services given by members or other organizations/sponsors you will report as in-kind.

Clubs will report total income less expenses and report in-kind donations. Then report how much is donated to Wellspring Living. All that should be explained in the narrative.

Dinner Party guests will write their checks to their club. The club will write the check to Wellspring Living. The amount that people pay to attend your Dinner Party will be reported as dollars donated.

Funds

You can choose to get the food donated, pay for the food, deduct it from funds raised or use club funds—you decide. If you choose to deduct the cost of the food from the ticket price, you might want to charge more than \$25 a couple. Our goal is to be able to donate \$25 a couple for Wellspring Living.

Recording Secretary - Dale Reddick

I know we're all busy bees

BUT HAVE YOU HEARD THE BUZZ?

Thought I'd send a few helpful hints and reminders to hopefully make your life as Recording Secretary of your Club easier.

1. Remind your President prior to each meeting to make sure she gives you a scripted Agenda for the meeting.
2. Record the time the meeting starts and ends.
3. Record in your minutes who attended the meeting, what office or chairmanship they hold.
4. As soon as possible after the Meeting email or mail a copy of your completed minutes to your President.
5. You will also need to keep a copy of the minutes, reports, handouts etc. in a notebook for your club's records.
6. Remind each officer and chairman that she needs to furnish you a written copy of what she reports, so her report can be an official part of the minutes.
7. Make sure the pages of the minutes are numbered.
8. Minutes should be brief, omitting descriptions, recording what was done, not what was said and reported in the order in which the business was presented at the meeting.
9. All motions should be in writing. The name of the member who introduced the motion is recorded but not the seconder.
10. Note bylaw amendments or revisions accurately with dates of the adoption in margin for quick reference.
11. Prior to the next meeting furnish the President any unfinished business from the previous meeting.
12. Have at each meeting a copy of your club's Bylaws and standing rules, a list of all paid members, and the club's authority on parliamentary procedure (Roberts Rule of Order)
13. Handle the approval of your minutes according to your club's bylaws/protocol. Complete minutes as soon as possible and before your next meeting.

Enjoy your Club Meetings!!

Dale (Reddick)

Treasurer - Cimi Douglass

First, I'd like to thank everyone for paying their dues on time as well as the kind donations that were distributed amongst our many projects such as Lipscomb, Ella, Wellspring, Veterans, Student Art, 1734 Society, Tallulah Falls and more. We are so lucky to have members who consistently put others first by donating graciously to GFWC Georgia's projects. Collectively we make a huge impact and difference in our local communities and organization's projects. Thank you.

Second, I want to remind you that tax season is upon us and if your club is a 501c3, it's time to begin preparing your club's 990 form. Typically, everyone has until the 15th of the 5th month after your fiscal year ends, so most would file this no later than May 15. Some of you may be eligible to file a 990N (a simple form) via an online postcard. To find out if your club is eligible, please visit the IRS website at the link below. If eligible, the PostCard 990-N can be filed for **free** at the IRS site.

<https://www.irs.gov/charities-non-profits/annual-electronic-filing-requirement-for-small-exempt-organizations-form-990-n-e-postcard>

Please watch out for companies that will spam your inbox wanting to file this easy form for you. Beware, not all sites or services are reputable, they could be scam sites. In order to avoid scam sites please visit the IRS site, they will list sites and services that are pre-approved. Some reputable services will charge a fee, but there is no reason to pay a fee for this postcard when you can do this for free at the IRS site. Marybeth Jacobson of Augusta Woman's Club tells me that it is very easy and takes little time to complete.

I want to thank Marybeth Jacobson for sending this information to me. Teamwork makes the dream work and that is one of the many reasons I love this organization - we share information and work together for the greater good.

Reminder: Don't forget to set up GFWC Georgia as your selected charity on your Kroger Plus so they can make a donation to our organization each time you shop! Please visit <http://www.kroger.com>. Once logged into your Kroger account, please search for GFWC Georgia either by name or WX744 and then click Enroll. You must have a registered Kroger rewards card account to link to our organization. *If you don't have a Kroger rewards card, they are available at the customer service desk at any Kroger. An instructional video on how to link your card to our organization can be found on our GFWC Georgia Youtube Channel - <https://youtu.be/2H8iVsJhM2E>.

If you have questions, please let me know, however, I can't promise you that I will know the answers, but I could find someone that can guide you in the right direction.

Thank you,

GFWC Georgia Strategic Plan 2022-24

Living the Volunteer Spirit'

GFWC GEORGIA MISSION

GFWC Georgia is part of an international women's organization dedicated to community improvement by enhancing the lives of others through volunteer service.

GFWC GEORGIA VISION

Our vision is to empower women in collaborative efforts of philanthropy, advocacy, and community leadership.

SUMMARY

GFWC Georgia's Mission Statement reflects a unifying vision for our organization and states the purpose and scope of our endeavors. The Strategic Plan supports and advances the Mission Statement.

A strategic plan is a working document that guides and strengthens the activities of an organization. Goals designed for achievement enable our organization to plan effectively for the future.

This Strategic Plan will identify five major issues. They are Membership, Leadership, Public Awareness, Special Projects and Community Service Programs, and Financial Stability and Management. It is organized with clear goal statements within each issue and specific strategies for achieving each objective.

Focusing on these five issues and the achievement of the goals will help us realize our vision. It will provide opportunities for members to serve their communities more effectively, develop leadership skills, participate in learning enrichment, and cultivate lasting friendships.

STATEMENT OF RESPONSIBILITY

- It is the responsibility of every member to support and promote the goals, objectives, and strategies outlined in the 2022 - 2024 GFWC Georgia Strategic Plan.
- GFWC Georgia Executive Board oversees the implementation of the 2022 -2024 Strategic Plan. The Strategic Plan is reviewed each administration.
- State, District, and local Club leaders work to achieve the goals and strategies that are relevant to their program areas and how they impact their communities.

President's Special Project - Tina Neese

Shoe Drive!

Do you have shoes in your closet you do not wear? Would you be willing to bring them to your district meeting? Could your club sponsor a community shoe drive in February? Could you ask other family members or friends to donate gently used or new shoes?

If you answered yes, read on to learn how to be a part of the huge shoe drive to benefit Wellspring Livings. GFWC Georgia is partnering with a fundraising organization to collect new and gently used shoes. The organization will pay GFWC Georgia for the collection and then they will also disburse the shoes throughout the world to needy families. It's a win-win all around! The shoes collected can be of either gender and any size (infants, children, girls, boys, women and men!).

Get the word out in your community:

- Have people pledge to bring you a bag or two (or more) of shoes, each with 25 pairs of gently worn, used and new shoes. Don't just ask for "some shoes," challenge them to collect a whole bag of shoes! Give a short deadline for this; I suggest 2 weeks. Then follow up, follow up, follow up. People get busy, they forget, help them remember.
- Find some drop off locations in the community. Some great places are gyms, dry cleaners, hair salons, local restaurants, stores (shoe stores, running stores, local stores, etc.). See if businesses will go one step further and offer an incentive for the donation. Incentives can include a raffle for a donation, 10% off for 10 pairs of shoes, or a free drink for 5 pairs of shoes, etc. Then give retail stores a shout out on your social media and tag them in your posts, so they know you're helping promote their business as well.
- Neighbor collection days. Print out the 4 to a page flyer that is attached and tape that to a shopping bag. Put on the flyer why you are collecting the shoes, and that you will be back on Saturday or Sunday to pick up the bags of shoes. All supporters need to do is put a few pairs in the bag and leave it hanging on their doorknob. Then on the pick-up day, you can just drive down the street picking up the bags hanging on the doors.

The shoes will be brought to your spring district meeting or to the annual convention. Each district will have a designee to collect, rubber band, and bag the shoes. There are specific supplies that will be given to your district president we must use per the fundraising organization. Each one of their special clear bags will be used to hold only 25 rubber-banded shoes. Bags will be tied. The district designee will be in charge of reviewing the shoes to make sure they meet the organizations criteria, which is also included as a flier for your review.

Contact Tina Neese, President's Special Project Chair, if you have questions at tinadaniel1224@gmail.com.

Arts and Culture Chairman - Joyce Broughton

March is Women's History Month.

Take time to celebrate the diverse, brilliant women across this nation who keep everything going at home and work, within community organizations and faith institutions, and in every aspect of life. Celebrate the women from our history who have helped to shape us as individuals and as a nation.

Ways you and your Club can honor women's cultural history:

- Search for and participate in Women's History activities taking place in your own community. If you have trouble finding events, your club may be able to fill a need by sponsoring a local community woman's history day.
- Why not celebrate by having a club gathering to organize your club history and making a paper or digital scrapbook. Pick some favorite memories and post them on your Club's Facebook page.
- Donate books about strong women in history to your local woman's shelter or school library.
- Choose to read a book about amazing women, from innovative artist, great teachers, and pioneering scientist to the women who campaigned for universal suffrage and social equality you will find a variety of books to choose from.
- Celebrate women in a nursing facility by sharing your time with them.
- Check your fellow club members and other women in your life to make sure they are doing OK. Write a thank you note to a woman who inspires you.
- While you're at it write a love note to yourself – you deserve to be celebrated, too!
