RESCUE. REBUILD. REUNITE.

Ahimsa House is the first and only organization solely dedicated to helping people and pets in Georgia reach safety from domestic violence together.

Anywhere in the state and at no cost to clients, Ahimsa House offers services that help facilitate the immediate safety of a survivor and their pet(s), and support them in achieving longer-term stability. We operate a 24-hour crisis line and offer 60 days of temporary care for pets while their owners seek safety from domestic violence. Clients may receive assistance with any species of animal, any breed of dog, and as many as eight pets. To learn more about all the services we provide, please visit our website!

Our work would not be possible without supporters like you. Thank you so much for making a donation in support of human and animal survivors in Georgia!
